

Falconer Board of Education Mission Statement

With a commitment to excellence, Falconer Central School Board of Education, in partnership with administration, teachers, staff, students and the community will support and guide an educational experience that increases student achievement while recognizing diverse needs. This will be accomplished through an atmosphere and culture of cooperation, an efficient use of resources, and support of opportunities for students to engage in challenging learning environments. Together, in positive, safe, nurturing, and respectful school experiences, we will strive to equip students with knowledge and skills to be responsible adults and make positive contributions to the community and society as they meet the challenges of their futures.

Long-Term Goals

1. **District Culture and Climate**-We will promote integrity, tolerance, and respect for others with an emphasis on community and student interactions. Working in partnership with the community to enrich educational programs and open communication.
2. **Student Achievement**-We will contribute to a supportive and positive learning environment with tools, training, and facilities needed to support highly effective, engaging and diversified instruction and extracurricular activities that allow students to graduate with life skills, leadership qualities and technological abilities that will help them succeed in their futures and be good citizens.
3. **Responsible Budgeting**-We will endeavor to practice responsible budgeting for the district that supports high quality educational programs while balancing the tax concerns of the community.

Short-Term Goals

1. Evaluate data pertaining to how the district has combated Covid-19's effect on social-emotional health and unfinished learning.
2. Promote the enhancement of communication with the community thru a variety of media sources and methods.
3. Continue to assess the safety and security needs of the district.
4. Advocate for support, programs, and courses rich in financial literacy, college and career readiness, and post-high school advancement for high achieving students.
