

New Pick-Up and Drop-Off Procedures for Fenner After Winter Break

Our goal at Fenner Elementary is to keep every student safe and to have a smooth process for our student arrival and dismissal procedures. The main parking lot, where a lot of students are picked up each day, has been an area of concern for students walking to their car. To have a safe and efficient process, we ask that you follow these procedures when we return from Winter Break.

Drop-Off Procedures

Not many changes for the morning drop-off procedure. However, students should arrive at 7:15 a.m. or later. Our doors open at 7:29 a.m. for breakfast and to start the school day. Please pull all the way up as far as you can along the sidewalk and have your child exit your vehicle from the passenger side. Your child should exit your vehicle as soon as you pull up — no parking or waiting in your car along the sidewalk. If you are going to wait or need to come into the school, please park in the parking lot and walk your child to the entrance.

Students Who Walk

The doors at Fenner Elementary do not open up until 7:29 am. Students should arrive at 7:15 a.m. or later.

Pick-Up Procedures

Students will now be picked up along the sidewalk in front of the school. Students will no longer be picked up in the main parking lot closer to East Main St. Please pull all the way up as far as you can along the sidewalk. Students will be dismissed through the main entrance and walk to your vehicle. There is no parking along the sidewalk at this time. If you need to come into the building to get your child, please park in the parking lot.

We will also be staggering student dismissal. Students who ride the bus will be dismissed first, next will be students who get picked up, and finally, students who walk home will be dismissed.
