

Public Participation Policy

A copy of Falconer Central School's Board of Education Policy #3220 is provided for perusal at all Board of Education meetings. Following is a brief overview of some of the more requested policy information:

- Person(s) who would like to be placed on an agenda and who provide at least five days prior notice to the Superintendent of this intent will be provided with up to ten minutes to discuss a particular topic.
- Person(s) who attend meetings and who are extended an opportunity by the Board President to address the Board will be provided up to five minutes on a particular topic.
- Person(s) shall provide his/her name, address, and group (if any) he/she is representing.
- Topics addressing a specific person are not permitted during public participation.
- Public participation is not permitted during the conduct of the official portion of the meeting.
