SUBJECT: ALCOHOL, DRUGS AND OTHER SUBSTANCES (SCHOOL PERSONNEL)

The Board of Education, recognizing that students are often influenced by teachers and other members of a school's staff, impresses upon staff members the importance of maintaining a high level of professionalism appropriate to their position, which, in turn, shall set a positive example for students.

The Board, therefore, prohibits the consumption, sharing and/or selling, use and/or possession of illegal drugs, counterfeit and designer drugs or alcoholic beverages in the workplace, or when the effects of such drugs and/or alcohol use may impair an employee's job performance.

Information about any drug and alcohol counseling and/or rehabilitation programs shall be made available to employees. Data will also include the range of penalties (consistent with local, state and federal law) up to and including termination of employment and referral for prosecution that will be imposed on employees who have transgressed the terms of this policy.

Additionally, confidentiality shall be ensured as required by state and federal law.

The Superintendent/designee shall periodically review the drug and alcohol abuse prevention program to determine its effectiveness and support appropriate modifications, as needed.

SUBJECT: HEALTH EXAMINATIONS

All staff initially appointed to probationary positions are required to obtain a physical examination. When such examination is made by the school physician/nurse practitioner the cost of such examination shall be borne by the District. A staff member, however, may elect to have a health examination at his/her own expense by a physician of his/her own choice.

The Board reserves the right to request a health examination at any time during employment, at School District expense, in order to determine whether the employee can perform the essential functions of the position with or without reasonable accommodation.

Annual or more frequent examinations of any employee may be required, when, in the judgment of the school physician/nurse practitioner and the Superintendent, such procedure is deemed necessary.

All bus drivers and substitute bus drivers shall have yearly physical examinations. Each bus driver initially employed by the School District shall have a physical examination within the four (4) weeks prior to the beginning of service. In no case shall the interval between physical examinations exceed a thirteen-month period.

The final acceptance or rejection of a medical report with reference to the health of an employee lies within the discretion of the Board. The decision of the physician designated by the Board as the determining physician shall take precedence over all other medical advice.

All medical and health related information will be kept in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA).
